

Newest Information Warrior,

Congratulations on receiving orders to the Center of Information Dominance (CID)), CID is a great command with a long history of mission accomplishment. I believe that you will find your time with us to be rewarding, both professionally and personally.

You have been assigned a sponsor and will receive their contact information along with a welcome aboard package soon. In the meantime, if you have any questions you can contact the Sponsor Coordinator, Albert Kling, at albert.kling@navy.mil. You may also call us at the phone numbers provided below. Your sponsor can assist you and your family (if applicable) during your reassignment. Also, he/she can provide information about the command, housing, schools, and answer any questions you may have. If you are flying into the area, you will be arriving at Pensacola Regional Airport. Please inform your sponsor of your flight arrangements as soon as possible. If you require transportation to the command, arrangements can be made to pick you up. We will ensure that your transition into the command is as smooth as possible.

The mailing address:

Name

Prospective Gain
Center for Information Dominance
640 Roberts Ave
Pensacola, Fl 32509
