Subj: JUSTIFICATION FOR 2007 SURFACE RESCUE SWIMMER COURSE
CURRICULA CHANGES

1. Procedural changes are justified by numerous e-mails, phone conversations and a conference held in Pensacola, FL., April 12, 2006, between LCDR Anderson, OIC, HSWINGSLANT, Jacksonville, FL., and AWC Kunz of NASC. These changes provide more efficient ways to train, with the goal of reduced attrition.
2. Equipment changes are justified by revision of NTTP 3-50.1.
3. Physical training/testing requirement changes are authenticated by SARGRAM 06-03 and 2006 SAR Advisory Board.
