#### 9. PNS Recommendation

- MIDN Door is being disenrolled for academic reasons, based upon the current semester grades we have received. MIDN Door has only completed 13 credit hours and would have eventually been dropped by UWF. MIDN Door struggled repeatedly in his first major and then after a Tier Change to his second major. He is motivated to serve in the military but does not understand the importance of discipline and key elements of leadership. MIDN Door has incurred a service obligation and should be disenrolled from the program with recoupment of funds.
