

# NAVAL EDUCATION and TRAINING SECURITY ASSISTANCE FIELD ACTIVITY STRATEGIC COURSE 2026 - 2030

## *Mission*

Develop, execute, and manage the Department of Navy's Security Assistance and Security Cooperation training and education programs in support of the National Security Strategy.

## *Vision*

NETSAFA is an agile and empowered organization committed to providing world class Security Cooperation education and training services for the Department of War, our Navy, and our partner nations.

## *Strategic Pillars*

**Effective Communication.** NETSAFA will continuously communicate up and down the chain of command and throughout the directorates. We will actively communicate with our internal and external partners to learn and share innovative ideas, foster trust, and remove barriers.

**Improved Performance.** NETSAFA will continuously seek new and innovative ways to employ technology, improve operations, and reduce costs while fulfilling mission requirements. NETSAFA will implement, monitor, and revalidate improvements to ensure gains are sustained.

**Integrated Instruction and Training.** NETSAFA will develop and further advance partner nation military capabilities to increase multinational force interoperability and to close existing operational capability gaps.

## *Lines of Effort*

**Excellence in Mission Accomplishment.** NETSAFA will prepare for future Security Cooperation program growth while maintaining a clear focus on our mission. NETSAFA will analyze business trends and patterns to ensure business decisions are aligned with leadership's guidance, goals, initiatives, and overall strategy.

**Building Relationships, and Trust.** NETSAFA will proactively engage existing Security Cooperation stakeholders and foster new relationships in the integrated planning and management of international student training. NETSAFA will leverage this expanded network to transfer knowledge, integrate best practices, and optimize the use of resources.

**Training, Empowering, and Inspiring our Workforce.** NETSAFA will recruit, hire, and train a qualified workforce and improve the capability of this workforce. NETSAFA will collaboratively leverage the knowledge, experience, and skills our workforce offers to meet new challenges.
