NSTC INSTRUCTION 1650.2G

From: Commander, Naval Service Training Command

Subj: MILITARY AWARDS MANUAL

Ref: (a) SECNAV M-1650.1 of August 2019
(b) NETCINST 1650.3H
(c) SECNAVINST 1650.1J

1. Purpose. This instruction establishes policy and procedures for submitting award recommendations for Department of the Navy (DoN) military personnel to the Commander, Naval Service Training Command (CNSTC). Any mention of "awards" in this instruction refers specifically to personal military decorations, as defined in reference (a), and does not include unit awards, campaign medals, or foreign decorations. Significant changes in this revision include the modification of award citation templates to align with the standardized format prescribed in reference (a); removal of the "Level of End of Tour Award Matrix" to allow for greater flexibility and alignment with current DoN award guidance; removal of unit award submission procedures, which are now governed by reference (b); and updating policy for CNSTC's immediate staff to align with procedures outlined in reference (c). This instruction is a complete revision and should be reviewed in its entirety.

2. Cancellation. NSTCINST 1650.2F

3. Scope and Applicability. This instruction applies to all military and civilian personnel assigned to Naval Service Training Command (NSTC) headquarters and subordinate commands involved in the preparation, review, endorsement, and submission of awards.

4. Background. Reference (a) provides overarching policy and procedures for the administration of military awards within the DoN. It establishes eligibility criteria, approval authorities, and award processing guidelines applicable across the Navy and Marine Corps. Reference (b) supplements reference (a) by outlining additional Secretary of the Navy-level policy on awards, to include specific guidance on the nomination and approval processes for high-level decorations and unit awards. Reference (c) establishes specific procedures for managing military awards within the Naval Education and Training Command (NETC) domain. It delegates authority and provides guidance tailored to subordinate commands, including Naval Service Training Command (NSTC), for consistent application of DoN policy across the domain.

5. Policy. Chapter 1 of this policy provides general submission procedures and detailed instructions for completing the Navy's Personal Award Recommendation Form, OPNAV 1650/3 (Rev. Aug-24). Chapters 2 through 7 cover individual awards in descending order of precedence,

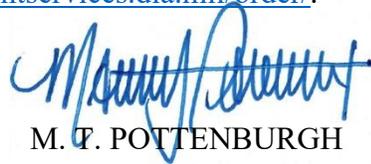

12 Mar 2026

outlining specific timelines, formatting requirements, approval authorities, eligibility criteria, and other pertinent policy. Submissions from commands subordinate to NSTC must be endorsed by the commanding officer and comply with the requirements established in this instruction.

6. Records Management. Records created as a result of this instruction, regardless of media and format, must be managed per Secretary of the Navy Manual 5210.1 of September 2019.

7. Review and Effective Date. Per OPNAVINST 5215.17A, the Flag Secretary will review this instruction annually on the anniversary of its effective date to ensure applicability, currency, and consistency with Federal, Department of War, SECNAV, and Navy policy and statutory authority using OPNAV 5215/40 Review of Instruction. This instruction will be in effect for 10 years, unless revised or cancelled in the interim, and will be reissued by the 10-year anniversary date if it is still required, unless it meets one of the exceptions in OPNAVINST 5215.17A, paragraph 9. Otherwise, if the instruction is no longer required, it will be processed for cancellation as soon as the need for cancellation is known following the guidance in OPNAV Manual 5215.1 of May 2016.

8. Forms. OPNAV 1650/3 (Rev. Aug-24) is a referenced form and is available via the Navy Forms Online website at <https://forms.documentservices.dla.mil/order/>.
