1. Purpose. To provide guidance concerning the 2025 Naval Reserve Officers' Training Corps (NROTC) Midshipman (MIDN) summer training programs for the Navy and U.S. Marine Corps (USMC). The overall mission of NROTC MIDN summer training is to develop and train MIDN within a linear training continuum nested to the Five Warfighting Competencies in order to provide the fleet a competent and professional Naval Service Commissioned Officer.

2. Scope and Applicability. This instruction applies to Naval Service Training Command (NSTC) subordinate units and personnel in implementation of the Midshipman Summer Training Plan 2025, per references (a) through (e).

3. Background. Reference (a) is SECNAVINST 1530.2A, which establishes policy and assigns responsibility for the training of NROTC MIDN. Reference (b) is OPNAVINST 3710.7V, which establishes the Naval Air Training and Operating Procedures Standardization Program.

Reference (c) is OPNAVINST 1530.8B, which issues general guidelines and information on the Midshipman Summer Training Program in the United States Naval Academy (USNA) and the NROTC. Reference (d) is OPNAVINST 6420.1B which provides physical requirements for non-submarine personnel embarked on submarines, including non-submarine military personnel. Reference (e) is OPNAVNOTE 1530 which issues guidelines and information on the 2025 summer training programs for USNA and NROTC MIDN. Reference (f) is NSTC M -1533.2F, which provides guidance to ensure maximum effectiveness and efficiency in the fulfillment of mission and administration of the NROTC programs. Reference (g) is NSTC M 1533.5D provides guidance on all MIDN summer training cruises. Reference (h) is Official Mail Message (OMM) #047-25, which provides information on the submarine cruise medical embarkation form requirements. Reference (i) is OMM #076-25, which provides information on the aviation First Class MIDN summer cruise medical requirements. Reference (j) is OMM #081-25 which provides the financial documents on the execution for MIDN travel for summer cruises. Reference (k) is OMM #098-25 which provides the required completion of Job Qualification Requirements during MIDN aviation, submarine, surface and surface nuclear summer cruises. Reference (l) is OMM#126-25 publishes new guidance on submarine embarkment medical guidance. References (a) through (l) are the primary source documents for subject training, and enclosures (1) through (4) provide specific information for the summer training program. Reference (e) is the primary source document for information regarding MIDN summer cruises.

4. Policy

- a. Purpose. Enable professional development. Initialize and sustain the transformation towards becoming a commissioned officer.
- b. Endstate. MIDN trained, evaluated, and competent in the Five Warfighting Competencies. MIDN ready for service as a commissioned officer.

5. Discussion

- a. New Student Indoctrination (NSI) is conducted for incoming Midshipman Candidates. Career Orientation Training for MIDN (CORTRAMID) is normally conducted for Third Class MIDN. Fleet Marine Force cruise (FMF) will be conducted for Second Class Marine option MIDN. Information Warfare Community (IWC) cruises will be conducted for selected First Class Navy option MIDN. USNA Yard Patrol (YP) Craft cruises will be conducted for Second Class and First Class Navy option MIDN. All legacy cruises, to include USMC OCS, surface-afloat cruises, aviation cruises, nurse cruises, sub-surface cruises, EOD Summer Training & Assessment (ESTA), and SEAL Officer Assessment and Selection (SOAS), remain in effect.
- b. Per Naval Service Training Command Commander's Intent, the Five Warfighting Competencies are as follows: (1) firefighting, (2) damage control, (3) seamanship/navigation, (4) watch standing, (5) small arms handling and marksmanship.
- c. The objectives of MIDN summer training are to further the professional development of MIDN, familiarize them with operational naval forces, reinforce their academic year programs,

15 May 2025

instill a sense of pride, and further motivate them toward future careers in the Navy or Marine Corps.

6. Records Management. Records created as a result of this instruction, regardless of media or format, must be managed per Secretary of the Navy Manual 5210.1 of January 2019.

m. LT B. Van Keuren, USN, NROTC Unit Virginia Polytechnic Institute, MEDC IW (IWMEDC).

3. Establishment of MIDN Embarkation/Debarkation Coordinators (MEDCs), MIDN Embarkation/Debarkation Team (MEDT) Offices, and Ashore Training Headquarters. OICs of summer training programs will establish offices or headquarters per the following schedule:

a. LANTMEDC at NROTC Hampton Roads Consortium shall be established on or about 1 May 2025. In addition, as directed by OIC, LANTMEDC, MEDT offices shall be established as follows:

(1) MEDT Mayport, FL: To be established by Commanding Officer (CO), NROTC Unit Jacksonville University, as required;

(2) MEDT Norfolk, VA: To be established by CO, NROTC Hampton Roads Consortium, as required; and

(3) MEDT Washington, DC: To be established by CO, NROTC Unit George Washington University, as required, during MEDTRAMID embark and debark processing.

b. PACMEDC at NROTC San Diego Consortium shall be established on or about 1 May 2025. As directed by OIC, PACMEDC, MEDT offices shall be established as follows:

(1) MEDT San Diego, CA: To be established by CO, NROTC San Diego Consortium, as required;

(2) MEDT Seattle, WA: To be established by CO, NROTC Unit University of Washington, as required; and

(3) MEDT Honolulu, HI: To be established by CO, NROTC Unit University of Hawaii, as required, during embark and debark processing.

c. AIRMEDC at NROTC Unit Florida A & M University and NROTC Unit Miami University, shall be established on or about 1 May 2025.

d. IWMEDC at NROTC Unit Virginia Polytechnic Institute shall be established on or about 1 May 2025.

e. OIC, NSI I shall be established on or about 29 May 2025 at Naval Station Great Lakes, IL.

f. OIC, NSI II shall be established on or about 20 June 2025 at Naval Station Great Lakes, IL.

g. OIC, NSI III shall be established on or about 10 July 2025 at Naval Station Great Lakes, IL.

h. OIC, CORTRAMID East, Norfolk shall be established on or about 25 June 2025 at Naval Station, Norfolk, VA.

i. OIC, CORTRAMID East Submarine Phase, shall be established on or about 25 June 2025 at Naval Base, Kings Bay, GA.

j. OIC, Fleet Marine Force, Marine Phase, Norfolk shall be established on or about 20 June 2025 at Camp Lejeune, NC.

k. OIC, CORTRAMID West, San Diego shall be established on or about 14 May 2025 at Naval Station San Diego, CA.

l. OIC, Fleet Marine Force, Marine Phase, Camp Pendleton shall be established on or about 14 May 2025 at Marine Corps Base, Camp Pendleton, CA.

4. Logistics Support to MEDTs and OICs. Commands near embarkation or where training detachments are established are requested to provide the OIC with logistical support as required. OICs of these embarkation or training detachments shall advise the commands concerned, as far in advance as possible, of logistical support they will require. When possible, government vehicles shall be used for the local transportation of MIDN in connection with summer training. Refer to reference (j) for information and procedures for requesting ground transportation at each of the MEDT and training sites.

5. Submarine Cruise and Surface Nuclear Billets. Billets will be assigned by NSTC N91. Units are to enter proper clearance status in Defense Information System for Security (DISS) in accordance with policy promulgated by Commander, Naval Surface Forces, Atlantic Fleet and Commander, Naval Surface Forces, Pacific Fleet (COMNAVSUBFOR/COMNAVSUBPAC).

6. USNA Yard Patrol (YP) Craft Cruise. The YP cruise will be conducted this year with up to 36 spots for rising MIDN Second Class and rising MIDN First Class. The YP cruise can satisfy the Second Class requirement. If MIDN First Class are selected, they are also expected to complete a traditional First Class cruise, if not previously completed.

7. Air Mobility Command (AMC) Transportation. MEDCs will promulgate AMC flight information for MEDTRAMID or WESTPACTRAMID. Other group travel requirements must be coordinated through the NSTC Organization Defense Travel Agent (ODTA) as described by reference (j).

8. Immunization Requirements. NROTC unit COs shall ensure MIDN receive immunizations required by Section 2.10 of reference (g) prior to their departure for summer training. Additional vaccination requirements may be directed as a pre-condition to summer training as disease mitigation measures.

9. Training Orders, Medical Records, Clearances, and Uniforms.

15 May 2025

a. NROTC units are responsible for preparing travel authorizations and vouchers to support the summer training period. Vouchers shall be submitted within five working days following completion of travel.

b. MIDN First Class who are requesting a pre-commissioning physical during summer cruise must have a statement in their orders indicating the type of physical requested. NROTC units, with approval from the appropriate MEDT OIC, may order MIDN to report two days early or extend training for two days in order to obtain pre-commissioning physicals. The NROTC unit COs are to ensure that all MIDN requiring pre-commissioning physicals receive them during the summer training period if unable to schedule physicals prior to summer training. MIDN participating in submarine cruises must report with their medical and dental records. NROTC unit COs shall ensure that all MIDN, prior to their departure for summer training, have in their possession the following items:

(1) Health Record Folder (unless otherwise directed);

(2) Common Access Card;

(3) Travel package as described in reference (j);

(4) Important contacts card, enclosure (4); and

(5) Vaccination record.

c. MIDN uniform requirements are contained in reference (f). Units are authorized to coordinate directly with Fleet units to determine required uniforms for that particular unit.

d. For complete travel guidance and procedures to support the summer training period, refer to reference (j).

e. All authorizations will include the highest security clearance for which the individual MIDN is eligible and applicable source data. All MIDN should have a satisfactorily completed National Agency Check and be granted a SECRET clearance with Nuclear Restricted Data prior to departing for summer training.

10. Advance Pay. NROTC MIDN will have the option to obtain advance cruise pay. The advanced cruise pay policy allows Defense Finance and Accounting Service to provide 80 percent advance payment to all MIDN prior to commencement of their proposed training.

11. Pre-cruise Brief. Prior to the commencement of training, the NROTC unit will conduct an extensive pre-cruise brief for its assigned MIDN, particularly using the publications in reference (j). MIDN should hand-carry reference (k), the Summer Training JQRs, to their training site and understand the scope of the training objectives. Units are responsible for ensuring that MIDN understand procedures for verifying authorizations, training dates, advance pay recoupment, and travel voucher submission.

SUMMER TRAINING ADMINISTRATIVE AND INSTRUCTIONAL GUIDELINES

1. Introduction. This enclosure provides general information about summer cruises and specific reporting instructions for each of the training programs. Quota allocations for each training program for each NROTC unit will be promulgated via Officer Programs Management Information System (OPMIS). Having determined that a unit has been assigned a quota via OPMIS, the unit staff will refer to the third section of this enclosure for reporting instructions. Specific information for each training site and actual ship assignment procedures will be provided in Letters of Instruction promulgated by the MEDCs. The MEDCs have ultimate and final authority to adjust or reassign NROTC unit quotas as necessary when changes in Fleet schedules modify available assets.

2. General Information.

a. MIDN reporting to a MEDT are to report no earlier than 0800 and not later than 1600 on the date specified, unless otherwise directed in the MEDC Letter of Instruction. MIDN training orders shall indicate a stop enroute at the MEDT and specify a period of time for the stop (e.g., "...report via MEDT NORVA for a period not to exceed 8 hours for further transfer to USS JOHN PAUL JONES."). MIDN should report as soon after 0800 as possible. The reporting instructions listed in Section 3 will generally apply to all MIDN assigned to the specified training period. Some ships within each training period may require embarkation/debarkation earlier or later than the specified date; each affected unit will be advised of this deviation by the MEDC. NROTC units must ensure that MIDN understand that training periods may vary for a variety of reasons.

b. Due to limited parking and potential problems with base access, MIDN are discouraged from traveling via Privately Owned Vehicles (POVs). If MIDN desire to travel via POV, PNS approval is required. It is highly recommended that POV travel be limited to no more than 200 miles. All POV travel must be annotated in OPMIS and the respective exercise staff, MEDC, and MEDT staff must be informed of the MIDN's POV travel plans. Consult with reference (j) for guidance and procedures for POV reimbursement.

c. Units that have billets assigned that cannot be filled by scholarship or college program advance standing MIDN are to immediately notify the appropriate MEDC so that the unused billets may be reassigned.

d. NSTC Summer Training Staff will maintain quota control until execution of summer cruises at which time the applicable OICs will assume accountability for all assignment changes. MIDN assignment changes after initialization of cruise should be due to emergencies only.

e. Unused quotas should be identified to NSTC Summer Training Staff as soon as it is determined that they are not needed. The respective MEDCs will control all other training quotas. NROTC units should liaise directly with MEDC personnel regarding any changes to cruise assignments. Units shall emphasize to MIDN their responsibility to keep their parent NROTC units advised of any change in their plans that would jeopardize their ability to report for active duty for training.

f. COs of NROTC units are to remind MIDN that the port of embarkation will not necessarily be the same port of debarkation. With prior approval, MIDN may drive their cars to their scheduled embarkation port, but they must be prepared to incur the personal transportation expense back to the embarkation port to get their cars if the training terminates in another port or if ship embarkation ports change on short notice.

g. Grooming standards for summer training will be per Navy and Marine Corps grooming standards and Chapter 2, U.S. Navy Uniform Regulations.

3. Reporting Instructions.

a. Specific ports of embarkation are not indicated in this notice as Fleet schedules are not yet firm and specific ship assignments will be made by the appropriate OIC, MEDC. Exact port and ship assignments will be provided by LANTMEDC (CO, NROTC Hampton Roads Consortium) for LANTRAMID and MEDTRAMID cruises and by PACMEDC (CO, NROTC San Diego Consortium) for PACTRAMID and WESTPACTRAMID cruises.

b. Nuclear Power. MIDN assigned to nuclear power training aboard Fast Attack Submarines and Ballistic Missile Submarines will receive specific reporting instructions from NSTC N91. Once nuclear cruise selections are announced, NROTC units are requested to return any unused training quotas to NSTC N91. In general, subsurface nuclear cruises will not be coordinated by a MEDC. MIDN assigned to nuclear surface cruises, however, will proceed via MEDTs when they are in close proximity to their assigned ship.

c. USMC Officer Candidate School (OCS) (I or II). Reporting instructions for First Class Marine Option MIDN reporting to Headquarters, Officer Candidate School, Marine Corps Combat Development Center, Quantico, VA, will be promulgated via separate correspondence.

d. CORTRAMID. NROTC Third Class scholarship MIDN are assigned to this training. Training will consist of surface, Marine, submarine, and aviation orientation training. Units must arrange round-trip transportation to and from the training site. Transportation between sites will be arranged by NSTC. Reporting instructions for each coast are as follows:

(1) East. Report to OIC, CORTRAMID East, Norfolk, VA. Tentatively, MIDN reporting to Norfolk, regardless of mode of transportation, shall report at the United Services Organization (USO) located at the Norfolk International Airport (ORF). Transportation will be provided from the airport only. MIDN should report between 0800 and 1600 on 25 June 2025 in appropriate civilian attire with unit polo shirt.

(2) West. Report to OIC, CORTRAMID West, San Diego, CA. Tentatively, MIDN reporting to San Diego, regardless of mode of transportation, shall report at the United Services Organization (USO) in Terminal Two at the San Diego International Airport (SAN). Transportation will be provided from the airport only. MIDN should report between 0800 and 1600 on 21 May 2025 in appropriate civilian attire with unit polo shirt.

15 May 2025

e. Aviation Cruise. Selected MIDN First Class will be ordered to report to an aviation squadron. Once ashore aviation option cruise selections are made, NROTC units are requested to return any unused training quotas to the appropriate MEDC.

f. NSI. Specific reporting procedures will be promulgated by assigned staffs.

g. IWC Cruise. Specific reporting instructions will be promulgated by the IW MEDC for the various IW cruise strands. Those reporting to the National Capital Region will arrive at Baltimore/Washington International Airport (BWI) and will be picked up at the airport prior to being transported to Annapolis. For these individuals, departures should be no earlier than 1600 on the final day of training from BWI with the following day as a back-up travel day.

4. Required Reports.

a. Initial Training Report. As each group is formed, detachment OICs shall submit Initial Training Reports by email to LCDR Megan Mittleider, Summer Training Officer, at megan.c.mittleider.mil@us.navy.mil.

b. Reports shall include:

(1) A list of MIDN who did not report for training including name, last four of SSN, and parent unit. Parent units may have to be contacted to determine the reason a MIDN did not report for training as scheduled;

(2) Discrepancies noted by name, unit, and discrepancy.

c. Final Training Report. Upon completion of the training, OICs shall submit a final training report to LCDR Megan Mittleider, Summer Training Officer, at megan.c.mittleider.mil@us.navy.mil. Summarize the training with specific recommendations in the following subject areas:

(1) Effectiveness of pre-training planning by NSTC Summer Training Staff;

(2) Training organization;

(3) Staffing/recommendations;

(4) Reporting and departure of MIDN;

(5) Messing and berthing;

(6) Uniforms and equipment;

(7) Facilities; and

(8) Improvements for next year.

d. Non-appropriated Fund Financial Report.

(1) Commands that are provided an allocation of non-appropriated funds directly from the Commander, Navy Installations Command (Code N252D) Central Fund for MIDN recreation purposes shall forward a consolidated financial report to BUPERS (PERS-652D) within 30 days following completion of the MIDN summer training period.

(2) This letter report shall include a listing, by dollar amounts, of the specific uses of the funds (e.g., Sightseeing Tour Expense, \$; Recreation Field Meet, \$), accompanied by a check or money order for any residual amount. A copy of each final financial report shall be provided to NSTC N8.

e. MIDN End of Training Survey.

(1) Each MIDN shall complete an End of Training survey upon completion of cruise. Upon cruise completion, OPMIS will send each MIDN the link to the survey to be completed via email.

(2) MIDN will use their individual billet IDs to enter and complete the survey. A phase-specific critique may be completed by each MIDN participating in CORTRAMID as desired by the warfare community sponsoring each specific phase (e.g. Surface Warfare, Submarine, Aviation and Marine). A summary of the results of any such phase-specific critiques, should be provided by each warfare community lead to NSTC Summer Training Staff by 16 August 2025 for use in the NROTC Summer Training Summary.

f. Special Incident Reports. While on orders participating in summer cruise, MIDN are on active duty and all active duty reporting requirements detailed in NSTC 5214.1B Commander's Critical Information Requirements apply, as well as all other Navy and Marine Corps reporting policy and instructions (e.g. OPREP, personnel casualty, etc).

g. MIDN Evaluations. MIDN evaluations for the period of summer training are optional. OICs are encouraged to complete an Officer Fitness Report, per reference (g), for particularly outstanding or deficient performance. MIDN receiving these reports will be evaluated by the officer and enlisted instructor in charge of each company, and the fitness reports will be signed by the OIC.

h. MIDN Travel Vouchers. MIDN authorizations shall be endorsed upon arrival by the summer cruise training staff. Travel vouchers will be prepared and subsequently processed by the parent NROTC unit staff using Defense Travel System (DTS), in accordance with reference (j).

NROTC SUMMER TRAINING PLAN FOR 2025

1. General.

a. Objective. The objective of MIDN summer training is to further the professional development of MIDN through introduction to the operational Navy and USMC and to reinforce their academic year programs, thereby instilling a sense of pride in their identification with the Navy and USMC and inclining them toward careers in the Naval service.

b. Concept of Operations (CONOPS). Conducted in three phases. Planning phase, execution phase, and reset phase. Exercise OICs will be provided Letters of Instruction and other planning documents to assist in deliberate planning.

(1) Planning phase: 01 Oct 2024 to 30 Apr 2025

(a) Sub Phase I: Initial Planning 01 Oct to 01 Nov 2024

(b) Sub Phase II: Deliberate Planning 01 Nov 2024 to 31 Mar 2025

(c) Sub Phase III: Transition 01 Apr to 30 Apr 2025

(2) Execution phase: 01 May to 13 Aug 2025

(a) Sub Phase 0: 01 May to 26 May

(b) Sub Phase I: 27 May to 22 June

(c) Sub Phase II: 23 June to 20 July

(d) Sub Phase III: 21 July to 13 Aug

(3) Reset Phase: 14 Aug to 01 Oct 2025
