NSI Completion Requirements: MIDN Candidates (MC) will actively participate in all events listed below to graduate NSI. Any refusal to train and actively participate in a specific event(s) (barring medical or emergency-leave like situation) may result in DOR or Aptitude proceedings. 80% participation of events is required to complete NSI.

A MC may be excused from participation in an event due to a medical condition or bereavement/hardship situation developing (similar to that which would qualify as a basis for emergency leave for an active-duty service member). If schedule permits, the candidate will make up the missed event. If the MC is excused from NSI training, the MC may be considered a graduate from NSI if the MC fully completes 80% of the training listed below.

1. Warrior Toughness – participate in the entire evolution.
2. Marlinspike – participate in the entire evolution.
3. Weapons Handling/SAM-T/ Live Fire – must participate in the entire evolution. Qualifying score not required.
4. 50 + question knowledge exam – must receive 75% to pass.
5. Fire Fighting – must participate in all components of Firefighting and Damage Control.
6. Close Order Drill Training – must participate in all drill functions.
7. BCA/Inventory/Final PRT&PFT – must participate in all; highest score of two is entered for scholarship activation from NSI; if MC does not pass - must pass at gaining unit for scholarship activation.
8. Uniform Inspection – must participate in all uniform inspections to be considered complete.
9. Swim – must participate in entire evolution.
10. Confidence Chamber – must participate in entire evolution.

NSI non-graduate reason	Scholarship Status	Explanation	NROTC Unit Notification
Drop on Request (DOR)	Scholarship declined by MC, rescinded	After a MC completes DOR procedures (discussing with entire chain of command and talking to their parents/guardian, paperwork signed throughout), and decides that they no longer desire to be part of the NROTC program.	CGMO
Non-medically Qualified (NMQ)	Scholarship still in play	Due to a pre-existing condition or a training injury, the OIC, in conjunction with competent medical authority, determines that a MC will be further injured or unable to participate in training and complete 80% of the graduation requirements. OIC needs to ensure MC (and CGMO to unit) knows to report all medical issues to gaining unit.	CGMO
Aptitude	Scholarship rescinded by NSTC	MC demonstrates a consistent apathetic attitude and has (3) negative formal written counseling(s) from their Company Commander or first O-3 in chain of command will stand before a review board comprised of Cycle Staff and a NSTC rep. The board will determine future suitability for Naval Service and forward to NSI OIC for decision.	NSI OIC
Bereavement/Hardship	Scholarship still in play	After validation of the circumstances, a MC is sent to HOR. If at that time the MC completed 80% of the graduation requirements, they may be considered complete.	NSI OIC
