

## Appendix E

### AWARDS

#### 1-1 NROTC Staff Awards

1. **Military Staff.** PNSs may recommend military members of their staff for commendations in accordance with CNSTCINST 1650.1 series.
2. **Civilians.** PNSs may recommend civilian members or organizations of the university and local community that have worked closely with the Navy and the NROTC for appropriate commendations/citations in accordance with the provisions of the Department of the Navy Civilian Human Resources Manual (DON CHRM) Subchapter 451.1 “Awards” in conjunction with DON Guide No. 452-02, “Guidance on Implementing Awards Programs” of September 2005.
3. **PNSs Commendations/Citations.** PNSs may commend/cite deserving staff members, members of the university, and members of the civilian community. Such recognition shall be noted in reports of fitness/performance evaluations of military staff members so commended.
4. **DoD ROTC and Educational Institution Partnership Excellence Award.** This is a Department of Defense-level award recognizing the unit performance of Reserve Officers’ Training Corps (ROTC) programs and the universities that support them.
  - a. Eligibility: NROTC units and partner universities are graded in three areas: performance criteria, university support, and other noteworthy achievements. All Military Department ROTC units and their associated host education institutions (HEIs) are eligible and encouraged to compete for the Reserve Officers’ Training Corps (ROTC) and Educational Institution Partnership Excellence Award.
  - b. Nominations should cover the 12-month academic year (August 1 through July 31) and include:
    - (1) A signed nomination memorandum from the NROTC unit and HEI concerned.
    - (2) Nominee Basic Information:
      - (a) Full official names of the ROTC Unit nominee and HEI nominee.
      - (b) Full names of the ROTC Detachment Commander and HEI President.
      - (c) U.S. Postal Service mailing addresses for the ROTC Detachment Commander and HEI President.
      - (d) ROTC unit and HEI points of contact names, with e-mail addresses and phone numbers.
      - (e) Congressional district and names of the Member of Congress representing the ROTC unit and the HEI.
    - (3) Nomination Narrative. Provide a comprehensive narrative that addresses the ROTC unit’s (formal name) and HEI’s (formal name) achievements based on quality, demography, resources, and community involvement. University support should also be highlighted for quality of life, unit morale

and Esprit de Corps, facilities and environment, and security. Format the one-page narrative as follows:

- (a) Microsoft Word document.
- (b) Page orientation: portrait.
- (c) Font: Times New Roman.
- (d) Font size: 12 point.
- (e) Margins: left justified, 1" margins
- (f) Spacing: single space

(4) Photographs. Submit approximately 5 high-quality digital photos to be used in a ceremony slide show, award posters, and possible Pentagon displays. Each photograph:

- (a) Should contain only one image (i.e., no collages).
- (b) Should be indicative of the ROTC unit and HEI personnel that garnered the award nomination. Photos of buildings should include people.
- (c) Is required to be 300 dots per inch (dpi) or greater resolution, and in a Joint Photographic Experts Group (JPEG), Portable Network Graphics (PNG), Adobe Photoshop (PSD), or Tag Image File Format (TIFF) format. Portable Document Format (PDF), bitmap, and Graphics Interchange Format (GIF) files are not recommended as they generally do not provide clear images when enlarged.

(5) **Nominations must be received by 15 September** each year at:

Ms. Marjorie McIntyre  
Naval Service Training Command  
250 Dallas St Suite A  
Pensacola, FL 32508-5268

## 5. USAA NROTC NCO Award for Excellence

a. United Services Automobile Association (USAA) sponsors this annual competition to recognize an outstanding NROTC NCO.

b. Nature of the Award. There will be six (6) regional winners. Regional winners will be awarded a Patriotic Medallion. One National Award winner will be selected from among these six regional winners. The National Award winner will also receive a plaque.

c. Eligibility. This award is open to all NROTC AMOIs.

d. Nomination Procedure. PNS' may nominate one AMOI annually, **not later than October 15th**. Nominations are to be forwarded to N93 (UNIT OPS). The nomination letter should address how your AMOI has gone above and beyond and deserves to be named the "best in the NROTC Program." Please limit the justification portion to one page.

e. Selection Procedure. A panel of N9 staff will screen and recommend nominees to USAA. Notification of winners is made to PNS's during the January NROTC Business Meeting.

## 1-2 NROTC Student Awards

1. **Admiral James L. Holloway, Jr., Top Graduate.** The Navy League has long recognized the value of the NROTC Program as a source of superbly trained officers. In view of the importance of the program, and in keeping with the educational mission of the Navy League, the Navy League National Board of Directors has approved a series of Navy League national awards to recognize excellence on the part of NROTC midshipmen. Thus, the "Admiral James L. Holloway, Jr., Award" was established to honor the outstanding NROTC midshipman in the nation.

a. Selection. N934 will select the recipient based on overall class ranking.

b. Presentation: The award consists of a suitably engraved watch and a certificate, which will be presented by a Navy League regional representative or a local dignitary during spring graduation.

## 2. Armed Forces Communications and Electronics Association Top Graduate.

a. The AFCEA Educational Foundation honors the top graduating midshipman in Electrical Engineering or Communications Sciences. The **deadline** for scholarship applications and all supporting documentation is **February 20th**. The scholarship application is posted online at <http://www.afcea.org/education/scholarships/rotc/>

b. The following majors will be accepted for the scholarship: Biometry/Biometrics, Computer Engineering, Computer Forensics Science, Computer Programming, Computer Science, Computer Systems, Cybersecurity, Electrical Engineering, Electronics Engineering, Geospatial Science, Information Science, Information Technology, Information Resource, Management, Intelligence, Mathematics, Network Engineering, Network Security, Operations, Research, Physics, Robotics Engineering, Robotics Technology, Statistics, Strategic Intelligence, and Telecommunications Engineering

c. The AFCEA Educational Foundation will also offer the ROTC Honor Award Certificate and Ribbon Bar to recognize ROTC students achievement in leadership and academics for a student in their junior year and selected by the Professors of Military Science, Naval Science and Aerospace Studies. The majors for the Honor Award remain the same as last year. The Army, Navy/Marine Corps and Air Force ROTC units at an institution may each submit one nomination at <http://www.afcea.org/education/scholarships/rotc/rotc2.asp>

3. **CNO Distinguished Midshipman Graduate Program.** The CNO Distinguished Midshipman Graduate Program is an award program to honor one graduating midshipman (not officer candidates) at each NROTC Unit (consortiums shall nominate one midshipman per university) and twenty midshipmen at the U.S. Naval Academy who demonstrate the highest standards of leadership, academic, and military performance.

a. Selection criteria are detailed in OPNAVINST 1520.38.

b. **All nominations are due to N934 by 31 January** each year.

4. **National Sojourners Award for Americanism.** The National Sojourners is an organization of past and present commissioned and warrant officers who are master mason. The National Sojourners honor the outstanding NROTC student at each unit. The award recognizes NROTC students who have

encouraged and demonstrated Americanism within the unit and on campus. The award consists of a ribbon with medal and accompanying certificate.

a. Criteria:

- (1) Sophomore or Junior status (concluding the second/third undergraduate year and corresponding naval science instruction).
- (2) Top 25 percent of academic class.
- (3) Have encouraged and demonstrated the ideals of Americanism by deed, conduct, or both.
- (4) Have demonstrated a potential for outstanding leadership.
- (5) Have not previously received the award.

b. Nominations are due to the nearest local chapter of the National Sojourners (**during January and 90 days prior to presentation**). Only one nomination per unit will be accepted. In cases where a local chapter does not exist, the nomination should be sent to:

National Sojourners, Inc.  
8301 East Boulevard Drive  
Alexandria, VA 22308-1399  
(703) 765-5000 FAX: (703) 765-8390

**5. Naval Submarine League Outstanding Achievement Award.** The Naval Submarine League (NSL) Outstanding Achievement Award is an annual award intended to promote the Navy's nuclear submarine community. The award recognizes students with proven academic and leadership skills who have been selected for entry into the Navy's nuclear propulsion program as submarine officers. The award consists of a certificate, a letter presentation, and a one-year honorary membership in the NSL, and acknowledgment in "The Submarine Review."

a. Eligibility Criteria. The student must:

- (1) Be a scholarship senior or STA-21 Officer Candidate.
- (2) Demonstrate superior academic aptitude.
- (3) Exhibit a strong desire to pursue a career in submarine warfare.
- (4) Demonstrate balanced qualities and aptitude for ascension as a naval officer.
- (5) Be a role model to inspire others to strive for nuclear submarine program selection.

b. Nominations

(1) PNS' may nominate one student whose military and academic performance, as outlined above, merits special recognition.

(2) Nominations will be submitted to N91 (NUCLEAR PROGRAMS) by letter. Nomination letters should contain sufficient information to permit the NSL to personalize letters of recognition and presentation. Nominations should also provide a point of contact and phone number and specify if award presentation by a NSL member is desired. If it is known, the date of the planned presentation ceremony should also be provided.

(3) **Nominations are due to N91 (NUCLEAR PROGRAMS) by 01 February** each year.

**6. National Defense Transportation Award for NROTC Midshipmen.** The National Defense Transportation Association (NDTA) annually presents a Silver Medal to one midshipman from each NROTC unit.

a. Eligibility criteria. The student must:

(1) Be a graduating senior, Navy or Marine option from either the NROTC Scholarship or College Program. Only one nominee is permitted from each unit.

(2) The nominee must be enrolled in a degree program in Business Administration, Business Management, Transportation Management or another Baccalaureate program with emphasis in the transportation field (e.g., Aviation Technology, Marine Transportation, etc.).

(3) The nominee must be in the top 25% of his/her NROTC class in aptitude.

(4) Academically, nominees must be in the top 25% of their NROTC class and in the top 25% of those in their university class enrolled in their major field of study.

b. Nomination procedure.

(1) PNS' should submit **nominations to N934 no later than 01 February** each year. The nomination letter must include:

(a) Name

(b) Academic Major

(c) Academic GPA and standing within his/her class, by major field of study.

(d) Graduation date

(2) N9 will send the list of nominees to NDTA. NDTA will send each unit a Silver Medal and a list of the local NDTA officers and their addresses that may be invited by the PNS to participate in the medal award ceremonies. PNS' are also encouraged to arrange for publicity photographs of midshipmen receiving the NDTA medal. Copies of photographs will be forwarded to the following address for use by the NDTA:

National Defense Transportation Association  
50 Street, Suite 220  
Alexandria, VA 22304-3008

7. **National Defense Industrial Association Award.** This award consists of a certificate, service medal, ribbon to be worn on the midshipman uniform, and a complimentary one-year membership to NDIA. The PNS may nominate one student annually.

a. Eligibility criteria are:

- (1) Academic average placing student in the upper half of his/her class at the university/college.
- (2) No grade less than B (or numerical equivalent) in the advanced NROTC courses.
- (3) Evaluated to be in the upper 20 percent of the NROTC enrollment at the university/college.
- (4) Actively participates in athletics and/or campus activities.
- (5) Has demonstrated outstanding leadership qualities.

b. **Nominations are due to NDIA by 15 February** each year at the following address:

National Defense Industrial Association  
2111 Wilson Boulevard  
Membership Department, Suite 400  
Arlington, Virginia 22201  
(703) 522-1820

8. **American Society of Naval Engineers (ASNE).** The American Society of Naval Engineers sponsors a scholarship program to encourage college students to enter the field of naval engineering. The program also provides support to naval engineers seeking advanced education in the field.

Examples of the programs of study which apply to the diverse field of naval engineering are: naval architecture, marine mechanical, civil, aeronautical, ocean, electrical and electronic engineering and the physical sciences, as well as other programs leading to careers with both military and civilian organizations requiring these educational backgrounds. Naval engineering includes the design, construction, and repair of ships and their installed systems and equipment, as well as research, logistic support, and the management of acquisition and maintenance.

The award consists of a \$2,000 annual scholarship increased periodically as funds allow. It is further anticipated that the number and size of scholarships will grow in direct proportion to the support our received from members and friends.

A check for the first academic period is made payable to both the recipient and the college or university. The letter will require the recipient to forward the check to the college or university and to furnish a transcript showing satisfactory performance to the Scholarship Committee and the Society as a basis for the second increment of the award for the subsequent academic period. The letter will further require that in the event that the recipient withdraws from the academic program with a tuition refund, the Society will receive a proportionate share of the tuition award.

Each successful applicant will also be awarded an Honorary Student Membership in ASNE for the year of his or her scholarship as a means of encouraging interest in a career in Naval Engineering.

The award may be used for payment of tuition, fees, and expenses

a. Eligibility

(1) The scholarship is intended for the last year of a full-time co-op undergraduate program or one year of full-time graduate study leading to a designated engineering or physical science degree in an accredited college or university. A scholarship will not be awarded to a doctoral candidate or to a person already having an advanced degree.

(2) The candidate must be a United States citizen.

(3) The candidate must have demonstrated or expressed an interest in a career in naval engineering, e.g., a student membership in a professional engineering society, extracurricular engineering activities, etc.

(4) Selection criteria will be based on the candidate's academic record, work history, professional promise and interest in naval engineering, extra-curricular activities, and recommendations of college faculty, employers, and other character references. Financial need may also be considered.

b. Applications and supporting documents must be received **at the ASNE Office by 15 February** each year. To request an application, send a self-addressed stamped envelope to:

The American Society of Naval Engineers  
1452 Duke Street  
Alexandria, VA 22314-3458  
Phone: (703) 836-6727  
Fax: (703) 835-7491

**9. Legion of Valor of the United States of America Award.** The Legion of Valor of the United States of America is composed of Medal of Honor, Distinguished Service Cross, Navy Cross or Air Force Cross award recipients. The Legion of Valor Bronze Cross for achievement is awarded annually to recognize achievement of scholastic excellence in military and academic subjects and to stimulate development of leadership.

a. Eligibility:

(1) The candidate must be an NROTC midshipman completing the third undergraduate year and corresponding naval science instruction.

(2) The candidate must be in the top 25 percent of his/her class in aptitude and academic standing.

(3) The candidate must have demonstrated outstanding military leadership qualities.

b. Nominations

(1) One award is authorized for each of the six NROTC areas (see Section 1-4). **Nominations are due to N934 by 15 June** each year.

(2) N9 will forward the list of candidates to the Legion of Valor for selection..

**10. Society of American Military Engineers (SAME) Awards.** Society ROTC Award of Merit - This bronze medal with bronze key replica was authorized in 1948 to be awarded annually to outstanding engineering students in the ROTC.

This award is made to outstanding junior and senior engineering students. Five-year students must be in their fourth or fifth year. They must be in the top 25% of their engineering class and in the top 25% of their ROTC class. A maximum of 2 medals per university may be given. A student winning the senior award who had won the junior award is presented a bronze oak leaf cluster in lieu of another medal.

a. Eligibility

(1) NROTC student, Scholarship or College Program, in either a 4-year or 5-year engineering course.

(2) School must offer accredited undergraduate civil, electrical, or mechanical engineering curricula, and award baccalaureate degrees.

(3) Students must be enrolled in their last or next-to last year of an accredited undergraduate engineering curriculum. Curricula should be reasonably allied to military engineering but, if accredited, need not necessarily be civil, electrical, or mechanical engineering. For example, petroleum or architectural engineering would be acceptable but textile or management engineering would not. However, the school must still meet the requirement stated in (2) above.

(4) Students must be in the top 25% of the NROTC class. Although required to be in last or next-to-last year of engineering, students need not be in corresponding status in their naval science curriculum.

(5) Students must be in the top 25% of their engineering class.

(6) Student must be recommended jointly by the PNS and the dean of engineering as the “Outstanding Engineering Student of the Year of Their Group” in the NROTC unit. These written justifications should be as complete as possible since they are very important documents in the selection procedure. Recommendation can be made by either joint or separate endorsement letters.

(7) Maximum number of nominations per school year is one last year and one next-to-last year student.

(8) NROTC students in a 5-year engineering course are eligible during the fourth and fifth years only. Those in a 4-year engineering course are eligible during third and fourth years only. If 5-year students, they are eligible whether or not on LOA from naval science courses.

N9 will forward all nominations to SAME.

b. **Nominations are due to N934 by 01 February** each year.

**11. Vice Admiral Robert F. Dunn NROTC History Essay Contest.** The Naval Historical Foundation (NHF), founded in 1926, is a non-profit organization dedicated to naval history

preservation, commemoration and education. Professors of Naval Science will have the option of recognizing outstanding midshipmen scholarship either through the presentation of Cash Prizes and/or Achievement Certificates.

a. Eligibility. Available to NROTC Midshipmen enrolled as students in good standing.

b. Nominations for Achievement Certificates: Instructors of Sea Power and Maritime Affairs courses may participate in the Dunn Prize recognition program by nominating midshipmen for recognition through the PNS who demonstrated the most mastery of the subject matter.

(1) If a NROTC unit or consortium hosts multiple Sea Power and Maritime Affairs courses, the PNS can forward multiple nominees to the NHF to receive NHF Dunn Prize Achievement Certificates that ideally would be awarded during the following Fall semester.

(2) Submission Requirements: There are no deadline requirements for Achievement Certificates. The NROTC Unit only needs to submit the name of the Midshipman and the institution he or she is attending to the NHF Director of Programs, Dr. David F. Winkler, [dwinkler@navyhistory.org](mailto:dwinkler@navyhistory.org).

c. Nominations for Cash Prizes: Instructors of Sea Power and Maritime Affairs courses, recognizing that NROTC midshipmen still incur financial costs in attending college, may take the further step of forwarding an outstanding term or essay paper that may have been prepared by one his or her Prize certificate nominees as part of the course curriculum for additional consideration to receive a cash prize.

(1) Submission. Term Paper entries will be submitted through the appropriate PNS or Commanding Officer of the respective NROTC Units. For purposes of this competition students enrolled at crosstown schools shall be considered as attached to either the primary or consortium university.

(a) Term/Essay Paper Considerations: Text length, which does not include any preliminaries, title page, end notes or footnotes, should be a minimum of 500 and maximum of 5,000 words.

(b) Submission Format. A paper submission will consist of a Contact Page, Title Page, and the text proper.

1. The Contact Page should include the title of the paper, author, current college or university, Class instructor name and contact information for that instructor as well as PNS contact information. During judging, the Contact Page is removed and a code will be assigned to make papers completely anonymous.

2. The Title page should contain the paper title only – no name, rank, or college affiliation.

3. The term/essay paper proper begins after the POC information page. Title page, table of contents (if any), tables, illustrations, endnotes/footnotes, appendices and bibliographies will not be included in the recommended word count.

4. Endnotes are preferred but footnotes are acceptable. Explanatory endnotes/footnotes are discouraged. Main points should be made in the text of the paper.

5. The text should follow the format of a scholarly research paper (not a bullet paper, talking paper, PowerPoint briefing, etc. If possible, use the *Chicago Manual of Style* or Turabian, *A Manual for Writers*, for overall style and format.

6. Papers must be submitted in electronic MS Word format. Files should not contain desktop-publishing embellishments. Please limit formatting to italics, bold, underline, bullets, or numbered lists.

(2) Judging Criteria. Judges will evaluate essays using the standards of quality that they apply to traditional academic writing, with emphasis on the following: innovation, clarity of thought and purpose, and persuasiveness.

(3) Submission of Entries/Deadline. Each PNS submits electronic copies of nominated essays to directly to the **Naval Historical Foundation, Attention Dunn Prize Coordinator, e-mail care of: [DWinkler@navyhistory.org](mailto:DWinkler@navyhistory.org). Deadline for annual submissions is 30 June.**

(4) Notification of Winners: The NHF will complete the selection process by 30 August and notify NROTC PNSs after Labor Day.

12. **American Legion ROTC Awards.** The American Legion honors outstanding ROTC students with two awards: The American Legion ROTC General Military Excellence Medal, and the American Legion ROTC Scholarship Medal.

a. General Military Excellence Medals.

(1) Eligibility. The applicant must be in the top 25% of their class in all NROTC subjects academically and demonstrate outstanding qualities in military leadership, discipline, character, and citizenship.

(2) Nomination. PNS may select four midshipmen or officer candidates, one from each Naval Science Year. See paragraph c below.

b. Scholarship Medals

(1) Eligibility

(a) Top 10% in university classes academically.

(b) Top 25% in NROTC classes academically.

(c) Demonstrate high qualities in military leadership.

(d) Actively participate in constructive student activities such as student organizations or sports.

(2) Nomination. PNS may select four midshipmen or officer candidates for this medal. Naval Science Year 3 and 4 individuals will receive a gold medal accompanied by a ribbon bar with a distinctive miniature attachment depicting a scholastic scroll. The Naval Science Year 2 recipient will receive a silver medal and ribbon bar and Naval Science Year 1 recipient will receive a bronze medal and ribbon bar. See paragraph c below.

c. Nominations are **due to the local chapter of the American Legion by 15 April** each year. In cases where no local chapter exists, the PNS should forward all nominations to:

Program Director  
The American Legion  
ATTN: Carol Polk  
P.O. Box 547859  
Orlando, FL. 32854  
1-800-393-3378 ext. 222

d. Presentation. Upon receipt of the medals, the PNS shall invite a representative of the American Legion to present the awards. If a representative is not available, the PNS shall make the presentation and send a report with photographs to the American Legion in Washington DC.

**13. American Veteran (AMVETS) Award.** The AMVETS award recognizes a qualified midshipman at each institution hosting a Senior ROTC program. The Award consists of a medal pendant and a ribbon bar.

a. Eligibility

- (1) A positive attitude toward the Navy ROTC programs and service in the Navy.
- (2) Exemplary personal appearance.
- (3) Personal attributes to include initiative, dependability, judgment, and self-confidence.
- (4) Officer potential.
- (5) The midshipman must have obtained a grade of "A" or the numerical equivalent in Senior ROTC/military related programs (to include leadership lab). He/she must also be in good standing in all scholastic grades at the time of selection and presentation during the most recent grading period.

b. Nomination. The nomination letter is **due to AMVETS by 15 April** each year.

- (1) The PNS selects the recipient annually.
- (2) The PNS submits a brief nomination letter in the form of a biographical sketch of the midshipman to:

AMVETS National Headquarters  
Attn: ROTC Programs Coordinator  
4647 Forbes, Lanham, MD 20706

c. Presentation. An AMVETS representative should make the presentation if a participating local post or department representative is not available. If this cannot be arranged, the PNS makes the presentation at an appropriate military ceremony.

**14. USS Little Rock Association NROTC Scholarship Program.** The USS LITTLE ROCK Association will provide financial assistance, on an annual basis, to one or more deserving students

who are selected from a competitive group of applicants meeting the eligibility requirements, as set forth below.

Specifically, grants of \$1000 will be made to selected recipients entering their third academic year in any of the several commissioning programs executed by NSTC N9 (NROTC Scholarship, NROTC College Program, Marine Enlisted Commissioning Education Program, or Seaman to Admiral - 21). A follow-on grant of \$1000 will be made to each previous award recipient who has satisfactorily completed the third year and is advancing into the fourth academic year within his/her commissioning program, subject to approval and certification by the NROTC Unit Commanding Officer. While multiple awards have been made under this program since 2001, the number of annual awards will be based on the Association's evaluation of candidate merit and the financial resources available to support this program.

Additionally, the Association requests scholarship applications from descendants of former and present USS Little Rock crew members.

a. Eligibility

(1) Students, as noted above, who are the children or direct descendants of active, retired, or honorably discharged members of the U.S. Navy, U.S. Marine Corps, U.S. Coast Guard, or their Reserve components; or who themselves are serving or have served in any of the Regular or Reserve sea services; or who are USS LITTLE ROCK Association "Junior Associates" who have been members in good standing for at least two years, are eligible for further consideration on the basis of individual merit.

(2) Candidates, otherwise eligible, must have demonstrated superior leadership qualities and aptitude for the service, and

(3) Shall have achieved a cumulative grade point average (Cum GPA) of at least 3.0, in all accredited course work.

b. Application. Interested, qualified candidates may apply during their second academic year in letter format addressing each of the eligibility criteria and endorsed by the Professor of Naval Science. The letter shall contain text of approximately 500 words describing leadership responsibilities, community involvement and why the candidate considers him/herself worthy of the award. A copy of the student's academic transcript or similar official record shall accompany the application. Applications/nominations must be received by mail, **not later than 31 June**, addressed to:

Scholarship Committee  
c/o Donald Elliot  
119 Motthaven Dr.  
Crossville, TN 38558

Application packages will be reviewed and awardees selected by the Association's Scholarship Committee NLT 15 October.

c. Presentation: Award recipients will be notified by the USS LITTLE ROCK Association via the unit Commanding Officer as soon as practicable once selections are finalized, and awards will be made as early as possible in the recipient's third academic year. Each first-year award will be in the form of a \$1000 check made out to the individual and a framed certificate. When feasible, presentation will be made by a representative of the Association. Otherwise, the check and certificate will be sent via the

Commanding Officer of the NROTC unit for appropriate presentation. The second-year award will similarly be a \$1000 check made out to the individual and sent via the unit Commanding Officer.

d. USS LITTLE ROCK Association POC: CPO Donald H. Elliot, USN (Retired), dhelliott3@comcast.net, (847) 721-6835.

#### 15. **Armed Forces Communications and Electronics Association(AFCEA)**

ROTC Scholarships – only one application necessary for all categories.

a. ROTC Scholarship – A minimum of eight scholarships of \$2,000 each will be offered each year to sophomore and junior Navy ROTC midshipmen and officer candidates.

##### (1) Criteria

(a) Majoring in hard science and technical majors, i.e., engineering, physics, mathematics, computer science, and computer technology. Also fields related to U.S. intelligence or homeland security also are eligible.

(b) No GPA requirement – leadership and potential to be an officer are primary factors.

##### (2) Nomination **Deadline: February 15 of each year.**

b. Medal of Honor Scholarship cosponsored by the Congressional Medal of Honor Foundation – Two \$5,000 additional scholarships will be awarded each year – one each to the top Navy midshipman and Marine Corps officer candidate submitted for an ROTC scholarship.

(1) Criteria. GPA of 3.0 required.

(2) Nomination. An additional letter of endorsement is required from the Commanding Officer, which must accompany the ROTC scholarship application. **Deadline: February 15 of each year.**

c. **VADM Jon. L. Boyes Memorial Scholarship** cosponsored by AFCEA International – One \$3,000 additional scholarship will be awarded each year.

##### (1) Eligibility

(a) Navy/Marine Corps ROTC midshipman or officer candidate

(b) Electrical Engineering major.

(c) Selection is based on academic achievement. GPA of 3.0 required.

##### (2) Nomination **Deadline: February 15 of each year.**

d. Experience Tours cosponsored by Future Heroes Foundation. Assigned in pairs to major military commands, corporations, or professional agencies, Navy/Marine Corps selectees will shadow chiefs of staffs/executive assistants of proven leaders during a one-week Tour during the summer.

(1) Eligibility: Navy/Marine Corps ROTC midshipmen and officer candidates between their junior and senior year.

(2) Nomination: Participants selected from applicants for the ROTC Scholarship.

e. Honor Certificate and Ribbon Bar Awards – separate nomination form. The AFCEA Honor Award recognizes leadership and academic achievement

(1) Eligibility. One junior cadet from every Navy ROTC unit is eligible to receive the AFCEA Honor Award each year

(2) Nominations are accepted on a rolling schedule via the online form (<http://www.afcea.org/education/scholarships/rotc/>)– **no deadline.**

**16. The United Services Automobile Association (USAA) Scholarship.** USAA will provide Naval ROTC scholarship funds totaling \$21,000 allocated to 12 deserving midshipmen/officer candidates (8 Navy and 4 Marine Option). One Navy Midshipmen from each of the six NROTC Areas (see Section 1-4) and one "At-Large" NROTC Midshipmen will receive \$1500 awards. Three "At-Large" Marine Option Midshipmen/O.C.'s will also receive \$1500 awards. One Navy Option and one Marine Option Midshipman/O.C. will be named National Award winners and will receive awards of \$3000 each. All scholarship winners also receive an engraved brass clock as a permanent memento.

a. Eligibility (Navy option). The student must:

(1) Be enrolled in the NROTC advanced course as either a Scholarship or College Program student and have at least one term remaining in the NROTC Program.

(2) Be ranked in the upper 10 percent of his/her class in military aptitude.

(3) Be ranked in the upper 10 percent of his/her class in naval science academics.

(4) Be majoring in a field of interest to the naval service and have a minimum grade point average of 3.0 on a 4.0 scale.

(5) Have achieved a rating of at least satisfactory on the most recent physical fitness test, be a second-class swimmer or better, and meet retention weight standards prescribed for active duty personnel.

(6) Be motivated toward a career in the unrestricted line.

b. Nomination (Navy option):

(1) PNS' may nominate one student whose military and academic performance merits special recognition. None of the eligibility criteria may be waived.

(2) Nominations will be submitted to N934 by letter with the following enclosures:

(a) Current academic transcript.

(b) Copy of latest aptitude evaluation.

(c) Full-length photo (3/4 view) of the nominee in Winter Blue, or Summer White uniform (uncovered).

**19. Daedalian Foundation NROTC Scholarship Awards.** The Order of Daedalians is a National Fraternity of commissioned military pilots of the Armed Forces. The Daedalian Foundation supports charitable, educational, and scientific activities in furtherance of the Tenets and Objectives of the Order. The Daedalian Foundation awards two \$1,000 scholarships to senior NROTC midshipmen possessing the desire and capabilities of becoming future naval aviators. The purpose of these scholarships is to encourage midshipmen to select military careers as fixed wing pilots.

a. Eligibility

(1) Nominee must have a strong desire to become a naval aviator, an aptitude for flight training with minimum ASTB scores of 4/6 (pilot) or 4/5 (NFO), and have passed a flight physical.

(2) Be in their fourth year of college (senior).

(3) Rank in the upper 20% of NROTC classes and upper 25% of entire graduating class.

(4) Have demonstrated qualities of leadership, teamwork, high moral character, integrity, and organizational ability.

(5) Consideration should be given to need of financial aid.

(6) Enrollment in or have completed light aircraft training, or possession of an FAA private pilot's certificate should be considered in a recipient's selection. Such qualification, however, is not a firm requirement for consideration or eligibility.

b. Nomination. NROTC units shall submit nominations online (at <https://daedalians.org/programs/scholarships/>). Nominations are **due by 01 December** each year.

(1) Units shall use and reference the nomination form available at <https://daedalians.org> for required enclosures (medical information and a Daedalian sponsor are not required for NROTC).

(2) Upon confirmation, NROTC units will be notified of scholarship awardees.

c. Presentation. A member of the Order of Daedalians nearest to the recipient's school will make

Scholarship presentation at an appropriate ceremony. If this is not practicable, the Foundation will designate a presenter. PNS' are to contact the Daedalian Foundation at the address below to arrange a time and place for presentation of the Daedalian certificate and the check, which will be issued in the recipient's name.

Daedalian Foundation
