NSTC NOTICE 1533

From: Commander, Naval Service Training Command

Subj: 2022-2023 NAVAL RESERVE OFFICERS' TRAINING CORPS PREPARATORY PROGRAM DESCRIPTION

Ref: (a) NSTC M-1533.2D, Regulations for Officer Development  
(b) NSTCINST 1533.14A, NROTC Preparatory Program Scholarship Reservations

Encl: (1) NPP Supporting University Matrix

1. Purpose. To provide a consolidated listing of requirements and entitlements at postsecondary schools participating in the NROTC Preparatory Program (NPP). The NPP is administered and funded by the host postsecondary school. This notice serves only to consolidate these schools' requirements and entitlements as best understood by Naval Service Training Command as of its effective date.
2. Background. Every year, a letter from Commander, Naval Service Training Command is distributed to participating NPP universities listing scholarship reservations. The letter does not include any information on specific NPP participating postsecondary school requirements or entitlements provided by those schools to NPP participant students.
3. Applicability. This notice provides consolidated information as of its effective date. It is not meant to be an exclusive reference and will be updated annually.
4. The point of contact for this notice is Mr. Brandon Rapp, N9216, Naval Service Training Command, brandon.m.rapp.civ@us.navy.mil.

  
JENNIFER S. COUTURE

2022-2023 NPP Supporting Universities Summary

	<b>School Specific Requirements</b>	<b>Funding Information</b>	<b>Scholarship Cap</b>
<b>Arizona State University</b>	27 Tier 1 or 2 majors offered	<i>School provides:</i> Tuition, fees, on-campus housing and meals. <i>Student provides:</i> Books. <i>Limitations:</i> In-state residents only.	5
<b>Auburn University</b>	Tier 1 or 2 majors offered	<i>School provides:</i> Tuition, fees. <i>Student provides:</i> Housing, meals, books. <i>Limitations:</i> In-state residents only.	10
<b>Benedict University</b>	12 credits per semester minimum	<i>School provides:</i> Tuition, fees, housing, meals <i>Student provides:</i> Books	5
<b>Fordham University</b>	Tier 1 or 2 majors encouraged	<i>School provides:</i> Tuition, fees, housing, meals, and \$750 stipend toward books and expenses. <i>Follow on entitlements:</i> Housing offered for all NROTC Scholarship Students.	5
<b>Illinois Institute of Technology</b>	15 Tier 1 or 2 majors offered 12 credits per semester minimum	<i>School provides:</i> Tuition, fees, housing, meals, and \$400 stipend toward books. <i>Follow on entitlements:</i> Housing and meals scholarship offered to all NROTC Scholarship Students.	15
<b>Jacksonville University</b>	13 Tier 1 or 2 majors offered 12 credits per semester minimum	<i>School provides:</i> Tuition, fees, books, on-campus housing and meals. <i>Follow on entitlements:</i> Housing and meals scholarship offered to all NROTC Scholarship Students.	15
<b>Miami University of Ohio</b>	Pursue a Bachelor's Degree at Miami of Ohio	<i>School provides:</i> Tuition, fees, housing, meals for in-state residents only. <i>Student provides:</i> Books. <i>Limitations:</i> Out-of-state residents may need to pay difference or seek tuition assistance.	5

<b>Norwich</b>	Tier 1 or 2 majors offered	<i>School provides:</i> Tuition, fees, housing, meals, and monthly stipend. <i>Student provides:</i> Books. <i>Follow on entitlements:</i> Housing and meals scholarship offered to all NROTC Scholarship Students.	5

Per NSTCINST 1533.3A:

Tier 1 majors are engineering programs of Navy interest, such as: aerospace/aeronautical/astronautic engineering, chemical engineering, electrical engineering, mechanical engineering, naval architecture/marine engineering, nuclear engineering, ocean engineering, systems engineering.

Tier 2 majors are other engineering, math, and science programs such as: agricultural/biological engineering, astrophysics, biochemistry, biophysics/molecular biology, biomathematics/bioinformatics, biomedical engineering, cellular biology/anatomical sciences, ceramic sciences and engineering, chemistry, civil engineering and technologies, computer engineering/programming/science/information technology, construction engineering, electronics and communications engineering, engineering mechanics/physics/science, general engineering, general science, industrial engineering, manufacturing engineering, materials engineering, mathematics, metallurgical engineering, microbiological sciences/immunology, mining and mineral engineering, nuclear and industrial radiologic technology, oceanography, petroleum engineering, pharmacology and toxicology, physics, physiology/pathology an related sciences, polymer/plastics engineering, quantitative economics, statistics, textile sciences and engineering

Disclaimer: As each NPP scholarship is a program administered and funded by the host university, none of these programs constitute a guarantee by the United States Government or United States Navy. In order to receive a follow-on four year NROTC scholarship, the NPP year must be completed successfully according to current requirements and the candidate must receive an endorsement from the host university Professor of Naval Science. This matrix is provided for ease of use, and was current at the time of signing. Refer to the individual school program for most up to date offerings and available Tier 1 and 2 majors.
