

**FY-22 Unrestricted Line Officer Specialty Career Path -
Education and Training Management Subspecialty Announcement**

Officers,

This announcement provides details on the application procedures for eligible Unrestricted Line (URL) Officers who seek an alternative to the traditional command at sea career path and supports the demand for URL control grade expertise in the Education and Training Management Subspecialty (ETMS) mission area.

NAVADMIN 095/19 - Specialty Career Path (SCP) Update provides eligibility and specific criteria for eligible URL designators. This NAVADMIN and other SCP information is located at <https://www.mynavyhr.navy.mil/Career-Management/Detailing/Officer/Pers-41-SWO/Specialty-Career-Path/>

SCP-ETMS Application Requirements

The Naval Education and Training Command (NETC) as the Executive Lead Agent for SCP for ETMS is accepting applications for the FY-22 SCP-ETMS screening process.

Prepare applications using the format located at the NETC Website and include the Commanding Officer's endorsement. Additional information and sample application and detailer statement are located at <https://www.netc.navy.mil/Resources/SCP-ETMS/>.

Applications packages, with endorsement, and detailer statement, must reach Dr. Cheral Cook, NETC (N521) by 31 May 2022. Upload files to cheral.cook.civ@us.navy.mil using DoD Secure Access File Exchange (SAFE) at <https://safe.apps.mil/>.

SCP-ETMS Application Point of Contact

Dr. Cheral Cook, NETC N521, (850)452-3671/DSN 459-3671, cheral.cook.civ@us.navy.mil
