## **February 2012 SELRES Advancement Exams announced**

PENSACOLA, Fla. – February 2012 Navy-wide examinations for advancement in rate of E4-E7 Selected Reserve (SELRES) personnel and FY-13 SELRES Selection Boards were announced in Naval Administrative Message (NAVADMIN) 369-11, released Dec. 6.

The Cycle 090 exams apply to Sailors serving on Voluntary Recall, Active Duty Training, or Active Duty under any Presidential Recall Authority including mobilization. These Sailors will compete as SELRES Inactive (USNR-Inactive). Individual Ready Reserve (IRR) personnel who are mobilized are considered under the SELRES requirements for advancement.

“There are significant lead time requirements for delivery of TS/SCI classified exams and unique differences compared to secret or non-classified exams,” said Lt. Cmdr. Jim LeViness, Navy Advancement Center director.

“Educational Services Officers and Command Career Counselors need to pay close attention to the details in the NAVADMIN and its listed references.”

Advancement candidates who wish to include education points toward their Final Multiple Score (FMS) are reminded that in order to allow sufficient time to process for Cycle 090, transcripts must be received by the Virtual

Education Center no later than Jan. 15, 2012. Official transcripts must be sent by the learning institution to: Center for Personal and Professional Development Attn: Virtual Education Center, 1905 Regulus Ave, Ste 234 Virginia Beach, VA 23461-2009.

For E6s that are eligible, The FY-13 SELRES E7 selection board will convene May 14 2012; all correspondence for the board must be postmarked no later than April 30.
