

WELCOME ABOARD

It is my privilege to extend a sincere "Welcome Aboard" to you as you join the staff of the Naval Education and Training Command. You are joining the world's premier learning organization!

The strength of the United States Navy resides in the men and women who man our ships, aircraft and shore installations in support of the Maritime Strategy, as well as those serving with our other Armed Services around the globe. For our Sailors to be successful, they must be carefully trained and educated. This is the mission, and the legacy, of the thousands of dedicated professionals working at our training commands and schools.

Shortly you will be receiving a letter from your Sponsor who is there to assist you with reporting aboard. In the mean time, you can use the below links to gather information about the local area you will be assigned to.

Again, welcome to The Naval Education and Training Command Team. I know that you will enjoy your tour, and I look forward to your arrival.

Sincerely,

M. A. WHITT
Captain, U.S. Navy
Chief of Staff
