

## Fleet Intelligence Training Center Commanding Tenets

### 1) Training on Topic, on Target, Ahead of Time

- Aggressively maintain topics and techniques on fleet operational training requirements
- Flexibly adjust instruction to meet fleet targets
- Link all intelligence topics for associated actions and responses to all Warfare disciplines
- Innovate to increase knowledge acquisition and retention, improve options to get training to fleet operators, and mirror operational realism
- Continuously improve products through feedback and coordination

### 2) Shipmates Help Shipmates

- Work together to meet mission goals
- Train your replacement and cross train your fellow shipmates to raise knowledge across the Center
- Help each other achieve personal and professional success

### 3) Always do the Right Thing

- Value Honor, Courage, and Commitment
- Be professional in all aspects of Navy and personal life
- Stand-up for the right thing, especially when it is difficult

### 4) Achieve Mission and Personal Success

- Understand our mission, your place within, and your shipmate's place within as well
- Recognize and reward performance and achievements
- Set, track, and achieve personal and professional goals
- Maintain a firm commitment to success for the command, individuals, and families
