

Welcome,

We're sure you are excited about your upcoming assignment and must have many questions about the command and the area.

Information on Eglin AFB and the local area can be found at:

Personnel flying from their previous duty station will arrive at the Destin-Fort Walton Beach Airport (VPS). From the airport, call the barracks duty number for a ride to base; alternately personnel may hire a taxi from the airport. If using a taxi be sure to get a receipt to be reimbursed on your travel claim at your ultimate duty station.

For personnel driving; from interstate 10, take exit 56 for Crestview and take state route 85 south toward Eglin AFB/Fort Walton Beach. Merge right onto state route 123, then right again onto state route 85 south. Turn left on state route 189/Lewis Turner Blvd, then left again into the west gate of Eglin AFB. From US route 98 east, turn left on Mary Esther Cut Off, then left again on state route 189/Beal Pkwy. Continue to follow 189 until you reach the west gate of Eglin AFB. From US route 98 west, turn right onto state route 85 north, and stay on route 85 until you reach the west gate of Eglin AFB.

The uniform for check-in is Navy Service-Uniform/Khakis. Through-out the week NWUs will be worn unless otherwise specified. Be sure to have proper Navy PT gear as well.

Upon arrival all personnel shall report to the JSF barracks/dormitory, building 1323. Air Force regulations prohibit initial accession personnel and fleet returnee personnel from staying in the same barracks. Personnel reporting directly from "A" school on PCS orders to their first permanent duty station will reside in the JSF barracks, all other personnel will reside at the White Sands lodge (local equivalent to the Navy Lodge). Per-diem claims to pay for rooms at White Sands will be liquidated by PSD Pensacola monthly and deposited into the service member's account. The White Sands lodge is approximately five miles from the schoolhouse and transportation is not provided, please plan accordingly.
