

10 MAY 10

MEMORANDUM

From: CECOS Command Adjutant  
To: Basic Class #247

Subj: SEABEE COMBAT HANDBOOK READING ASSIGNMENTS

1. Read and study the following sections of the Seabee Combat Handbooks in preparation for the Field Exercise (FEX). Please note that a logical order for reading the sections has been identified below so that the knowledge builds on itself.

History and Organization of the Seabee and Laws of War

- Vol I: Chapter 1

Organic Communications Equipment

- Vol I: Chapter 11, pages 1-2 (through Nomenclature) & 18-40

Organization and Operation of the Combat Operations Center

- Vol II: Chapters 1 & 2

Patrols & Individual Protective Measures

- Vol I: Chapters 4 & 7

Marksmanship

- Vol I: Chapter 3, pages 1-12 & 19-24

Weapons

- Vol I: Chapter 13, pages 1, 5-19 & 31
- Vol I: Chapter 14, pages 1 & 20-21

Land Navigation

- Vol I: Chapter 5

Defensive Planning

- Vol II: Chapter 4

2. The intent of this assignment is to familiarize you with basic combat skills, provide some background to the Military Training topics you will receive in the classroom as well as in the field, and ultimately improve your effectiveness during the field exercise.

J. CHAVIRA
