NPTUCHASNNOTE 3140
NPTU-00
2 Sep 08

NAVAL NUCLEAR POWER TRAINING UNIT, CHARLESTON NOTICE 3140

Subj: HURRICANE EVACUATION INFORMATION AND PROCEDURES-EXAMPLE

Ref: (a) NPTUINST 3140.1B, DESTRUCTIVE WEATER PLAN

Encl: (1) Driving Directions to Fort Jackson
(2) Maps to Fort Jackson

1. Background. In preparation for an incoming hurricane, an evacuation may be ordered by the Naval Weapons Station (NWS) Charleston Commanding Officer for base housing areas or by civil authorities for specified areas of the communities around the NWS. To provide NPTU personnel an established, safe evacuation site, arrangements have been made with Fort Jackson, near Columbia, South Carolina, to house NPTU personnel and their dependents during a hurricane.

2. Action. If a mandatory evacuation of NWS Charleston is ordered by the Navy, designated Navy staff and all students will evacuate to the Army Training Facility at Fort Jackson, South Carolina. Navy dependents, undesignated NPTU Staff, Bettis personnel and their dependents may also take shelter at Ft. Jackson if desired.

a. Actions to be taken when a mandatory hurricane evacuation of NWS Charleston is possible.

(1) The NPTU Navy Message line will be updated with instructions with the procedures for preparation for evacuation.

(2) When Hurricane COR IV is set, all staff personnel will be required to verify their hurricane recall information.

(3) When Hurricane COR IV is set, Admin will provide a list to the Ft. Jackson Emergency Operations Center of personnel from the Hurricane Recall database who have indicated that they will use Ft. Jackson for shelter. As this information is updated, it will be provided to the Ft. Jackson EOC and the advance team.

2 Sep 08

b. Actions to be taken when a mandatory hurricane evacuation of NWS Charleston is likely.

(1) The Ft. Jackson advance team will go to Ft. Jackson per enclosure (17) of reference (a) and set up communications with NPTU.

(a) The Evacuation Advance Party shall: Proceed to Fort Jackson during Destructive Weather COR III to establish the remote command post per reference (a). Once established, the advance party will maintain communications with NPTU.

(b) Remote Command Post Personnel shall:

1. Maintain an up to date list of personnel assigned to the command and where they plan to remain during the storm.

2. Bring to Fort Jackson a list of personnel expected to arrive for shelter and coordinate the assignment of berthing to personnel.

3. Assign berthing to personnel as they arrive from NPTU.

4. Keep the CO, CMC, and XO informed of personnel arrivals and expected personnel unaccounted for.

5. Develop a list of available shelter to expedite assignment of berthing when personnel arrive.

(2) All students will be reminded that if a mandatory evacuation is ordered by the Navy, they are required to report to Ft. Jackson. Dependents of NPTU students will be given the option of using Ft. Jackson for shelter.

(3) All staff personnel who intend to go to Ft. Jackson for the hurricane must inform their chain of command of their intentions. This information must be forwarded to NPTU Admin.

(4) When COR III is set, information cards will be handed out to all NPTU personnel with reporting procedures and emergency phone numbers.

2 Sep 08

c. Actions to be taken when a mandatory hurricane evacuation of NWS Charleston is ordered.

(1) When COR III is set (and evacuation is directed by CO, Naval Weapons Stations), Admin will issue orders for personnel who live in base housing. Personnel who live in base housing must pick up these orders from Admin prior to evacuation. Admin will set up an evacuation management site in Subway to hand out orders and other evacuation information.

(2) When COR II is set, Admin will transfer the responsibility of tracking evacuated personnel to the Command Center watch. A command center watch will be assigned the task of coordinating NPTU evacuation with NPTU personnel and the NPTU team at Fort Jackson.

(3) Once an evacuation is ordered, the Ft. Jackson advance team will station personnel at Gate Four of Ft. Jackson. Personnel evacuating to Ft. Jackson will arrive via Gate Four and will then be directed to Hilton Field on Ft. Jackson, where they will park their POVs. Personnel will then be bussed to their assigned barracks buildings.

(4) The Ft. Jackson advance team will prepare a list of available berthing for personnel when they arrive from NPTU. Open bay berthing in "Starship" barracks will be issued to unaccompanied military personnel. Berthing in 4-person "Rolling Pin" barracks rooms will be issued to Bettis personnel, and military personnel with their dependents.

(5) All Hands shall:

(a) When ordered by appropriate authority, evacuate to Fort Jackson using the directions provided in enclosure (1)-(3). Evacuation details and updates will be provided on the command information line at **(843) 863-5992 (Navy personnel) or (843) 863-5982 (Bettis personnel)** and on the NPTU web site: <https://www.netc.navy.mil/centers/nptu>. The following web sites also provide information regarding hurricane evacuation: www.nwschs.navy.mil and www.charlestoncounty.org. The all clear condition (safe to return to the local area and return to work) will be broadcast on the NPTU website and these web sites. If unable to access web information or reach the command info lines listed above, contact the Naval Weapons Station Base Info Line: **866-451-5995 (toll free), 764-7994 (local)**. The following cell phone numbers can be used in the event that hurricane damage prevents reaching the command or NWS info lines: **NPTU Post 1A:**

2 Sep 08

(843) 863-3084, NWS CDO: (843) 478-8657. Use these numbers only if all other options do not work.

(b) Pets are not allowed in Ft. Jackson barracks, and there is no kennel service available. Personnel will have to provide for their pets prior to reporting to Ft. Jackson.

(c) If only a limited evacuation of personnel housing areas (e.g., Isle of Palms, James Island, etc.) is ordered or an evacuation is only recommended, personnel who live in these coastal areas may evacuate to local civilian shelters. Prior to evacuating, personnel must provide their supervisor and NPTU Administrative Office (843-863-5950) when COR III is set the location and phone number of their intended evacuation location.

d. Accountability. All hands are required to maintain 100% accountability with the command for themselves and their dependents.

(1) Personnel who evacuate to Ft. Jackson will be required to muster with the NPTU Command Team at Ft. Jackson upon arrival. This team will have a muster list and will report status of personnel to NPTU Admin at **843-863-5950** to muster on the Navy Family Accountability and Assessment System database.

(2) Personnel who are required to stay onsite as support staff will be mustered by their Chain of Command and reported to NPTU Admin. These individuals must account for their dependents' evacuation plans.

(3) Personnel who are not required to evacuate to Ft. Jackson and evacuate to their own destination outside the affected area are required to ensure their chain of command has the address and phone number (updated cell phone information will suffice) of where they will be residing. Upon reaching their destination, personnel shall report to their chain of command their status and the status of their dependents. If unable to contact their direct chain of command, personnel shall call NPTU Admin at **843-863-5950** to report their status. If unable to contact NPTU Admin, personnel shall log onto the Navy Family Accountability and Assessment System (NFAAS) at <https://navyfamily.navy.mil> and account for themselves and their dependents through the website.

(4) Directions for accessing website are as follows:

(a) Go to NFAAS website:

<https://navyfamily.navy.mil>.

(b) Click button that says, "NFAAS - Navy Family Member"

(c) Enter sponsor's Social Security Number and password (initial password is sponsor's birth day).

(d) Enter status of member and dependents.

(5) Upon receiving reports from personnel regarding whereabouts and status of dependents, direct chain of command will make the report to NPTU Admin at **843-863-5950**.
