FOREWORD

This document was prepared for submission to higher authority for approval. The curriculum outline lists course lesson topics and associated learning objectives, both terminal and enabling, in their sequential order. Unless otherwise stated, the standard for achieving each of these objectives is 100 percent.

The Rescue Swimmer School Training Program (RSSTP) Refresher Course (Category II) is designed to provide refresher training to Rescue Swimmers who are returning to a rescue swimmer billet from a non-swimmer billet. It is also designed to make Rescue Swimmers aware of any changes in rescue swimmer equipment and/or procedures which have occurred since their last exposure.
