SURFACE
RESCUE SWIMMER
SCHOOL
TRAINEE GUIDE**

NAME _____

RATE _____ **CLASS NO.** _____

COURSE MISSION STATEMENT

The Surface Rescue Swimmer School (SRSS) is designed to provide Navy and USMC (E-1/E-9) personnel with knowledge and skills necessary to initially qualify as Search and Rescue swimmers, including water entry, first aid, CPR, parachute disentanglement, and waterborne lifesaving procedures under all environmental conditions. Upon completion of this course, the Rescue Swimmer is prepared for assignments with surface units to provide Rescue Swimmer duties.
