3. The Naval Officer's Guide, Chapters 6 and 11
4. The Division Officer's Guide, Chapters 2 and 3

III. Instructional Aids

- A. Course syllabus
- B. Chalkboard
- C. Instructor-prepared transparencies/overhead projector or PowerPoint slides/projection system

IV. Suggested Methods and Procedures

- A. Method options
 1. Lecture
 2. Discussion
- B. Procedural and student activity options: Discuss the idea of followership, how effective followers make effective leaders possible, and how followership is a prerequisite to leadership.

V. Lesson Outline

- A. Have the class define followership:
 1. The ability to place the health and well being of an organization ahead of personal ambition.
 2. The ability to have the same allegiance and loyalty up the chain of command one would expect to flow down the chain.
